

County Transitions

It isn't the changes that do you in, it's the transitions. Change is not the same as transition. Change is situational: the new site, the new boss, the new team roles, the new policy. Transition is the psychological process people go through to come to terms with the new situation. Change is external, transition is internal.

-William Bridges

The classes below have been selected from the CountyWise catalog for those employees affected by the recent layoffs. If you are affected by the recent layoffs and would like to attend a class, please use the following process to register.

Ask your supervisor/manager to send the following e-mail message:

To: Martha.Woolhiser@esa.sccgov.org
