A certificate of completion of a 40 hour basic mediation training course is given to the participants.

This activity offers 32.5 MCLE credits by the State Bar of California. Provider number 15694.

**\*\* While 40 Hours is the current, minimum standard to qualify one to be a mediator, in our opinion a 40 hour course on its own does not make a person a mediator. It takes a lot of practice working with these skills for someone to be fully comfortable with the mediation process.\*\***
