AMENDMENT 2

Questions/Answers to RFP Bid #PRK 121709 - ENG

Question 1: Section e. under VI. Form of Proposal requires a schedule. Obviously the schedule for tasks is dependent on the complexity of the project. Do you have a "seed" project we should base the schedule on? If not, what is your intent with this portion of the proposal?

Answer : No there is no "seed project". You may base the schedule on one of firm's completed engineering projects.
