All Contents Copyright 2005, The County Of Santa Clara, CA

Key elements of the new Public Portal home page include:

1. Enhanced dashboard.
2. Enhanced searching capabilities with the implementation of a new natural language search engine.
3. Enhanced functionality by adding helper buttons allowing visitors to:
 - a. Print a printer friendly version of the page
 - b. Increase or decrease the font size for better usability
 - c. Share content by forwarding a link to the article via email.
4. Provided easier navigation by listing samples of information found under each Life Event
5. Enhanced access to **Services and Programs** by adding an A to Z cross-agency listing of popular County services
6. Enhanced direct access to Board agenda's and budget information with the "**Connect With Your Elected Officials**" section
7. Easier access to information regarding how to register to vote.
8. Easier access to Hot Items links to important new topics.
9. Easier access to e-Services by **devoting a central access point to "Get It Done OnLine"**
 - a. Provided a "**How do I...**" drop down list which provides quick access to the top 10 to 15 most commonly requested information and services based on public feedback
 - b. Provided "**Featured Online Services**" to online transactions that rotate based on seasonal events and popularity
10. Enhanced **Quick Links** for easier reading.
11. Provided an additional functionality section **Around the County** which provides:
 - a. Local weather information.
 - b. Integration with County Roads & Airport Department for live webcam traffic feeds on county expressways.
 - c. SCCGov Awards which showcases the industry leading awards won by the County's Public Portal.
12. Enhanced emphasis on the County being **A Great Place To Do Business** for our business community by providing a central, quick access point
13. New section for the County to inform the public of steps the County is taking to improve services *when information is available.*
