

## **Contracting principles Compliance**

**All Contractors are Type II Contractors unless they meet one of the Type I categories listed below.**

### **Type I Categories:**

1. Sole Source
2. Construction or other work required by law to be contracted out
3. Individuals and vendors with less than 25 employees
4. Emergency work – to preserve public health, safety or peace
5. Emergency repair of facilities or equipment
6. Contract with other public agencies
7. Contract is \$100,000 or less -- including similar services with the same contractor unless a labor contract contains an exception
8. Contracts with professionals (legal financial, engineering, management consulting physician)
9. Contracts requiring work with specialized equipment (trucks, cranes)
10. Facility or equipment maintenance
11. Maintenance services incidental to purchase of goods or equipment
12. Contracts that provide employee benefits pursuant to Labor contracts

**Any one of the above definitions makes the contract status Type I**
