

The District Attorney's Office in collaboration with the Police Agencies Countywide, the City of San Jose and the Mayor's Gang Prevention Task Force, and School Districts Countywide present:

Parent Project[®]

***Because the tougher it gets to be a kid...
the tougher it gets to be a parent!***

Created by a psychologist, an educator, a police officer and attending parents, the Parent Project[®] is a program with proven results for parents dealing with challenging teens.

For every question you ask, we promise concrete answers:

- Sidestep arguments and conflicts at home
- Improve school attendance and performance
- Prevent, recognize or intervene in alcohol/drug use and/or gang activity
- Address threats of violence or running away
- Motivate and influence teens
