

What is the Vendor/Coordinator ID number?

(circled in red below)

- It is a number created by DEH when we process your first application for a Temporary Event.
- It will appear on your Temporary Event Permit.
- Please use this number for subsequent application submittals.

<small>The person or organization issued this permit (the "permittee") is responsible for ensuring compliance with Article 13 of the California Health and Safety Code, by temporary food facilities operating at the events. The permittee is also responsible for providing and maintaining adequate toilet facilities, and all shared utensil and hand-washing facilities. The coordinator will ensure that food facilities have access to potable water and ice supplies and to wastewater, grease, and garbage disposal facilities.</small>
