

Expanding webcast of Board meetings to include webcast of Policy Committees

On August 10, 2011, the Board's six Policy Committees will be webcast and made available live and archived on the internet. The implementation date coincides with the earliest scheduled committee meeting in August, as follows:

<u>Policy Committee</u>	<u>Implementation Date</u>
Legislative Committee	August 10
Health and Hospital Committee	August 10
Finance and Government Operations Committee	August 11
Children, Seniors, and Families Committee	August 17
Housing, Land Use, Environment & Transportation Committee	August 18
Public Safety and Justice Committee	September 7

Board of Supervisors meetings have been webcast, live and archived on the internet, since January, 2010.
