

Statement	Assembly Member Ira Ruskin	Assembly Member Paul Fong	Assembly Member Bill Monning	Senator Elaine Alquist	Assembly Member Jim Beall	Assembly Member Tom Torlakson	Senator Alex Padilla (Megan Moret)	Assembly Member Anna Caballero (Crystal)	Superintendent Jack O'Connell (Lupita)
<b>Public School Issues</b>									
I support keeping programs such as sports, art, music, or extracurricular activities.									
I support programs for kids with special needs.									
<b>Higher Education Issues</b>									
I support keeping programs aimed at either helping minorities or underprivileged students get into college.									
I support keeping CalGrants or other CA sponsored financial aid.									
<b>Financial</b>									
I support imposing taxes on California oil/fossil fuels.									
I support reinstating the Vehicle License Fee.									
I support a tobacco tax bill.									
I support eliminating the 2/3 requirement for tax or revenue increases.									
I support giving local government or school boards more spending flexibility									
I support renting out schools to community groups to raise revenue for schools.									
I support local government having an independent source of revenue to fund education directly.									
I support routing money from jails to education and violence prevention programs.									
I support an alcohol tax to fund drug and alcohol abuse prevention programs.									
I support accessing Tier 2 and Tier 3 money.									
<b>Other</b>									
I don't think redistricting will help-term limits are a bigger issue.									
I voted for the Education Revise
