Optometry/Ophthalmology (Eye Services)

Members who have vision coverage as a part of their healthcare benefits package are encouraged to use these benefits for eye refractions (eye glass exams) as well as routine screenings for diabetes, hypertension, glaucoma and other conditions. Visit your vision coverage provider's web site to locate the nearest provider. Most offer same day or next day appointments, 408.793.2525.

Current vision coverage providers of many VHP members are:

- Vision Service Plan (VSP), www.vsp.com
- Vision Insurance Plan of America, Inc., www.visionplans.com

If you do not know the name of your vision coverage provider, please contact your Employer's Human Resources Department.

Please note that VHP does not cover the costs of eyeglasses/lenses or any copayments or costs incurred through these Vision Plans.

Members who do not have vision coverage can self-refer to a Santa Clara Valley Medical Center Eye Clinic for routine refraction examinations (for eyeglass prescription only) by calling 408.885.7977 to make an appointment. All other services require a referral.
