SUBJECT: Request for Deferral - Report to FGOC on Shelter Outreach Centers Program

The Office of Affordable Housing requests a deferral of the scheduled February report to the Finance and Government Operations Committee (FGOC) on the Shelter Outreach Centers/One-Stop Homeless Prevention Centers to its March 2009 meeting.

The redesigned Cold Weather Shelter Program was initiated the last week of November, allowing only 2 months of operation for reporting and evaluation. A deferral to the March meeting of FGOC will allow the Administration to report on a full quarter of operation.
