TO: Board of Supervisors

FROM:   
Donald F. Gage  
Supervisor, District 1

SUBJECT: Local Agency Formation Commission meeting report

**RECOMMENDED ACTION**

Accept report on the Dec. 3 meeting of the Local Agency Formation Commission.

**REASONS FOR RECOMMENDATION**

The Local Agency Formation Commission held its regular meeting Dec. 3.

Commissioners voted 4-0, with Commissioner Howe abstaining, to approve the detachment of property from the City of Los Altos and its annexation to the City of Palo Alto. They also voted 4-0, with Commissioner Wilson abstaining, to approve a request by the West Valley Sanitation district to amend its sphere of influence and annex 22 parcels, many of which are having septic tank issues and must hook up to a sewer system for public health reasons.

The commission voted unanimously to let a group of landowners along Arnerich and Wagner roads annex into the Central Fire Protection District.

After some testimony from the public, commissioners voted 4-1, with Commissioner Howe voting no, to adopt the resolution denying the proposed incorporation of the town of San Martin.

Members of the commission received an update on the request for proposals seeking general legal counsel services for LAFCO, and commissioners Wilson and Constant will be on the interview committee. The commission also appointed John Howe as chairperson and Susan Wilson as vice-chairperson for 2009, and adopted a schedule of meetings for 2009.

The commission acknowledged the service of Commissioner Alvarado, for whom this was the last meeting.
