TO: The County of Santa Clara, California
(herein referred to as the "Sponsor")

FROM: The United States of America (acting through the Federal Aviation Agency, herein referred to as the "FAA")

WHEREAS, the Sponsor has submitted to the FAA a Project Application dated December 6, 1963, for a grant of Federal funds for a project for development of the Palo Alto Airport of Santa Clara County Airport (herein called the "Airport"), together with plans and specifications for such project, which Project Application, as approved by the FAA is hereby incorporated herein and made a part hereof; and

WHEREAS, the FAA has approved a project for development of the Airport (herein called the "Project") consisting of the following-described airport development:

Overlay, mark and light (LML) runway (65' x 2500') including shoulder preparation and drainage; construct apron (approximately 205,000 sq. ft.); install approach lights, center line and edge lights, elevated wind cones, and visual

all as more particularly described in the property map and plans and specifications incorporated in the said Project Application;
THEREFORE, pursuant to and for the purpose of carrying out the provisions of the Federal
Airport Act, as amended (19 U.S.C. 1101), and in consideration of (a) the Sponsor's adoption and
ratification of the representations and assurances contained in said Project Application, and its
acceptance of this Offer as hereinafter provided, and (b) the benefits accruing to the United States
and the public from the accomplishment of the Project and the operation and maintenance of the
Airport as herein provided, THE FEDERAL AVIATION AGENCY, FOR AND ON BEHALF OF
THE UNITED STATES, HEREBY OFFERS AND AGREES to pay, as the United States share of
the allowable costs incurred in accomplishing the Project, 50.50 per centum of said allowable
project costs.

This Offer is made on and subject to the following terms and conditions:

1. The maximum obligation of the United States payable under this Offer shall be
   § 60,451.00.

2. The Sponsor shall:

   (a) begin accomplishment of the Project within sixty days
       after acceptance of this Offer or such longer time as may be prescribed by the FAA,
       with failure to do so constituting just cause for termination of the obligations of the
       United States hereunder by the FAA;

   (b) carry out and complete the Project without undue delay and in accordance with the
terms hereof, the Federal Airport Act, and Sections 151.45-151.55 of the Regulations
of the Federal Aviation Agency (14 CFR 151) in effect as of the date of acceptance of
this Offer; which Regulations are hereinafter referred to as the “Regulations”;

   (c) carry out and complete the Project in accordance with the plans and specifications
and property map, incorporated herein, as they may be revised or modified with the
approval of the FAA.

3. The allowable costs of the project shall not include any costs determined by the FAA to
be ineligible for consideration as to allowability under Section 151.41 (b) of the Regula-
tions.

4. Payment of the United States share of the allowable project costs will be made pursuant
to and in accordance with the provisions of Sections 151.57 -151.63 of the Regulations.
Final determination as to the allowability of the costs of the project will be made at the
time of the final grant payment pursuant to Section 151.63 of the Regulations. Provided,
that, in the event a semi-final grant payment is made pursuant to Section 151.63 of the
Regulations, final determination as to the allowability of those costs to which such semi-
final payment relates will be made at the time of such semi-final payment.
5. The Sponsor shall operate and maintain the Airport as Provided in the Project Application incorporated herein and specifically covenants and agrees, in accordance with its Assurance 4 in Part III of said Project Application, that in its operation and the operation of all facilities thereof, neither it nor any person or organization occupying space or facilities thereon, will discriminate against any person or class of persons by reason of race, color, creed or national origin in the use of any of the facilities provided for the public on the airport.

6. The FAA reserves the right to amend or withdraw this Offer at any time prior to its acceptance by the Sponsor.

7. This Offer shall expire and the United States shall not be obligated to pay any part of the costs of the Project unless this Offer has been accepted by the Sponsor on or before December 14, 1964 or such subsequent date as may be prescribed in writing by the FAA.

8. Pursuant to Paragraph 9, Part III of the Project Application dated November 4, 1963, the Sponsor hereby covenants and agrees to furnish the Federal Government without cost, within five months after written request therefor, such estates or interests in such lands or rights in buildings as are found necessary by the for the construction and operation of the airport, structures or facilities set forth below, provided the aggregate area of such united buildings, fixtures, appurtenances, and such such purposes are available without the necessity for removing or relocating other facilities and are within the geographic boundaries of the airport as the time request therefore is made by the FAA; together with rights of way access in and to such areas or buildings for construction, occupancy and use and the right to connect to existing utilities and to be furnished the utility services required to the extent of maintaining safety or in some other reasonable manner. The facilities or structures involved and the maximum area of land, or rights in buildings, the Sponsor is obligated to furnish is as follows: the traffic control tower, as described in the contract. It is further understood and agreed that nothing contained herein shall be construed as obligating the Federal Government to construct, occupy or operate a control tower at the site into Airport of County.

9. By its acceptance hereof, the Sponsor hereby covenants that to the extent it has or may have, under present or future control, over each area identified on the Section 3d as "Road area" and unless exceptions to or deviations from the following covenants have been granted to it in writing by the FAA, it will cause said area of any existing structure or any natural growth which constitutes an obstruction to air navigation within the standards established by the Federal Aviation Agency Technical Standards Order No. 3 and the Sponsor further covenants that it will control and prevent the erection of structures and control natural growth to the extent necessary to prevent the creation of obstructions within said standards.
10. By its acceptance of this Grant Offer, the Sponsor covenants and agrees that if necessary as is within its power and to the extent reasonable, it will take such action as may be necessary to restrict the use of land, adjacent to or in the immediate vicinity of the airport, to activities and purposes compatible with normal airport operations including landing and take-off of aircraft.

11. The Sponsor covenants and agrees that such financial records of the project established, maintained, and made available to personnel of the FAA, in conformity with Section 151.55 of the Regulations of the Federal Aviation Agency (14 CFR 151), will also be made available to representatives of the Comptroller General of the United States.

12. In the event the Sponsor does not exercise its option to renew its lease on Parcel B, E and G for an additional 15 year term by undertaking the stage 2 development of this airport, as provided in the lease dated March 25, 1964, between the Sponsor and the City of Palo Alto, California, the Sponsor covenants and agrees to acquire a property interest satisfactory to the FAA in and to that portion of Parcel B required to provide a complete clear zone at the southwestern end of the existing runway, subject to no liens, encumbrances, reservations or exceptions which in the opinion of the FAA might create an undue risk of interference with the use and operation of the airport.
Sponsor's acceptance of this Offer and ratification and adoption of the Project Application incorporated herein shall be evidenced by execution of this instrument by the Sponsor, as hereinbefore provided, and said Offer and Acceptance shall comprise a Grant Agreement, as provided by the Federal Airport Act, constituting the obligations and rights of the United States and the Sponsor with respect to the accomplishment of the Project and the operation and maintenance of the Airport. Such Grant Agreement shall become effective upon the Sponsor's acceptance of this Offer and shall remain in full force and effect throughout the useful life of the facilities developed under the Project but in any event not to exceed twenty years from the date of said acceptance.
