13. It is further understood and agreed that the Sponsor will not commence, nor permit the commencement of, construction of the airport drainage system until it has submitted evidence satisfactory to the FAA that it has acquired a sufficient interest in lands outside airport boundaries to permit the construction, operation and maintenance of the drainage system.
The Sponsor's acceptance of this Offer and ratification and adoption of the Project Application incorporated herein shall be evidenced by execution of this instrument by the Sponsor, as herein-after provided, and said Offer and Acceptance shall comprise a Grant Agreement, as provided by the Federal Airport Act, constituting the obligations and rights of the United States and the Sponsor with respect to the accomplishment of the Project and the operation and maintenance of the Airport.
