Re: Jeff Bodin and Garlic City Skydiving v. County of Santa Clara, California, FAA
Docket No. 16-11-06

Dear Mr. Marquez, Ms. Pianca, and Mr. Durden:

This letter is to clarify the date by which the FAA's Final Agency Decision will be issued in the above noted case as per the extension issued by the FAA on November 30, 2012. The text of this extension states that "the date by which the Final Agency Decision will be issued in this matter is hereby extended to December 21, 2012," while the Certificate of Service to the extension refers to the document as "the Notice of Extension of Time to December 14, 2012." This reference to December 14, 2012 on the Certificate of Service was in error, and the current deadline for the issuance of the Final Agency Decision is December 21, 2012, as stated on the extension itself. We apologize for any confusion this may have caused.

Sincerely,

Ellen Erichsen
Attorney, Airports Law Branch
FAA Office of the Chief Counsel
