SUBJECT: Provider Monthly Report-July 2020 Revision

The Provider Monthly Report (PMR) has been revised based on feedback offered by staff and provider staff. A training on the revised PMR was provided on June 19th 2020 at the Data Quality Skype meeting.

The July 2020 version of the PMR (attached) becomes effectively 7/1/2020. Providers and analysts are required to use the revised version of the PMR to report July 2020 figures. The PMR for July 2020 is due on August 12th 2020.

PMRs should be emailed to the QIC assigned to your program by the due date, which is the 12th of each month. In the event, the 12th falls on a weekend or holiday, the PMR is due on the next business day.

Please note that the instructions for the PMR have also been revised. The instructions should be reviewed before completing the PMR. Questions about the revised PMR should be raised at the monthly Data Quality meeting or via email to Kakoli Banerjee, ROM Director, at Kakoli.banerjee@hhs.sccgov.org.
