

COVID-19

and your Mental Health Needs

Join a Virtual Town Hall for Consumers and Family Members: Connect and learn about resources to support you or your loved ones' wellness.

The County of Santa Clara's Behavioral Health Services Department is conducting **community virtual sessions** to check in with stakeholders of mental health services, families and community partners. **We would like to hear from you - what is working? What needs support?** Join us for wellness and a chance to connect virtually.

The town hall meeting will be an **access point to mental health services and a place to share the impact COVID-19** has created in your road to recovery and wellness.

Participants will:

- Connect in a peer supported environment
- Learn about local mental health resources available

Town halls will take place on Zoom and social media livestream.
