

Zephyr Self-Help Center presents

History of the Hearing Voices Movement

Presented by

Sophia Huang, Mental Health Peer Support Worker
County of Santa Clara BHSD

Hearing Voices Movement instigated in 1987 in Netherlands.
It's since spread worldwide to include USA and the Bay Area!

In this presentation you will learn:

- Overview of the history of the Hearing Voices Movement
- Identify HVN the fundamental belief as well as shared goals and values of Hearing Voices Movement
- International, national, and local Hearing Voices Networks
- Resources to enhance your learning and tools for coping with voices
