Who We Are:

For over 25 years we have worked diligently to serve adults, youth, and their families to address substance abuse, and strengthen families and communities in Santa Clara County. Our team of therapists specialize in working with adults, youth and families that are struggling with substance use and mental health issues.

Services Provided:

- Outpatient Services
 - Personalized counseling services that includes psychiatric services if needed
- Residential Services
 - Structured live-in services in a supportive facility for men, women, youth, and men or women with children under age 5.
- Detox Services (Withdrawal Management)
 - These facilities provide 24-hour supervised non-medical withdrawal from alcohol and other drugs.
- Medication assistance for individuals addicted to alcohol and other drugs
 - Medications include
 - Suboxone
 - Vivitrol
 - Methadone
- Services for mothers, pregnant and post-partem women
 - Individual and group treatment, and case management services
 - Child care is available during treatment services
 - Residential services for women post partem for up to 60 days

Take This Quiz:

1. Are you or do you know someone that may be struggling with substance use issues?
2. Have you noticed an emotional and/or behavioral change?
3. Are you or do you feel they are making decisions that may be affecting their lives negatively?
4. Do you feel you need help but don't know where to start?

If you answered "Yes" to any of these questions, we can help.
