Failure to do so constitutes a material breach of this Agreement and is grounds for immediate termination of this Agreement by the COUNTY.

b. In accepting this Agreement, CONTRACTOR covenants that it presently has no interest, and will not acquire any interest, direct or indirect, financial or otherwise, which would conflict in any manner or degree with the performance of this Agreement. CONTRACTOR further covenants that, in the performance of this Agreement, it will not employ any CONTRACTOR or person having such an interest. CONTRACTOR, including but not limited to CONTRACTOR's employees and subcontractors, may be subject to the disclosure and disqualification provisions of the California Political Reform Act of 1974 (the "Act"), that (1) requires such persons to disclose economic interests that may foreseeably be materially affected by the work performed under this Agreement, and (2) prohibits such persons from making or participating in making decisions that will foreseeably financially affect such interests.

c. If the disclosure provisions of the Political Reform Act are applicable to any individual providing service under this Agreement, CONTRACTOR shall, upon execution of this Agreement, provide the COUNTY with the names, description of individual duties to be performed, and email addresses of all individuals, including but not limited to CONTRACTOR's employees, agents and subcontractors, that could be substantively involved in "making a governmental decision" or "serving in a staff capacity and in that capacity participating in making governmental decisions or performing duties that would be performed by

In the space below, please explain how you calculated the number of hours for Component 1.
 The Incredible Years is an 18 session parenting workshop. Each participant attends 18 one-hour weekly workshop sessions on various subjects within a 6-month period. Each workshop session requires 2 hours prep and data collection time (per session, not participant): 29 participants x 18 sessions x 1 hour = 522 session hours; 18 sessions (weekly) x 2 hours prep = 36 prep hours; 522 session hours + 36 prep hours = 558 component hours. 558 component hours / 29 participants = 19.25 hours per participant.

In the space below, please explain how you calculated the number of hours for Component 2.
 29 participants will each receive 24 one-hour case management sessions/home visits. Two hours per session/participant are allotted for travel, case notes and other applicable actions: 29 participants x 24 sessions x 3-hour session/prep/travel = 2,088 hours. An additional 5 hours per week is used for planning and supervision: 52 weeks x 5 plan/super = 260 hours. 2,088 hours + 260 hours = 2,348 component hours / 29 participants = 81 hours per participant.

In the space below, please explain how you calculated the number of hours for Component 3.
 13 participants will receive 10 one-hour therapy sessions. Two additional hours per session/participant are allotted for case notes, charting, and other applicable actions - total 3 hours per session. 13 participants x 10 sessions x 3 hours session/travel/casenotes = 390 hours. An additional 5 hours per week are needed for planning and supervision: 5 hours x 52 = 260 hours. 390 session/travel/casenote hours + 260 component hours. 650 hours / 13 participants = 50 hours each participant.

In the space below, please explain the services or activities that will be paid for by other funding source(s).
 Match funding for 29 duplicated participants for Component #1; 29 duplicated for Component #2, and 13 for Component #3 are from the California Wellness Foundation. Services are the same as for the CAC services. Costs expense through the match are based on the same percentages per component as the CAC percentages, for the total budget of \$80,000.
