   This Contract represents all of the terms and conditions agreed upon by the parties. No other understanding, oral or otherwise, regarding the subject matter of this Contract is binding upon the parties.

2. **AMENDMENTS**
   All amendments or modifications must be in writing and signed by authorized representatives of all contracting parties.

3. **CONFLICTS OF INTEREST**
   a. CONTRACTOR shall comply, and require its subcontractors to comply, with all applicable (i) requirements governing avoidance of impermissible client conflicts; and (ii) federal, state and local conflict of interest laws and regulations including, without limitation, California Government Code section 1090 et. seq., the California Political Reform Act (California Government Code section 87100 et. seq.) and the regulations of the Fair Political Practices Commission concerning disclosure and disqualification (2 California Code of Regulations section 18700 et. seq.). Failure to do so constitutes a material breach of this Agreement and is grounds for immediate termination of this Agreement by the COUNTY.

   b. In accepting this Agreement, CONTRACTOR covenants that it presently has no interest, and will not acquire any interest, direct or indirect, financial or otherwise, which would conflict in any manner or degree with the performance of this Agreement. CONTRACTOR further covenants that, in the performance of this Agreement, it will not employ any CONTRACTOR or person having such an interest. CONTRACTOR, including but not limited to CONTRACTOR's employees and subcontractors, may be subject to the disclosure and disqualification provisions of the California Political Reform Act of 1974 (the "Act"), that (1) requires such persons to disclose economic interests that may foreseeably be materially affected by the work performed under this Agreement, and (2) prohibits such persons from making or participating in making decisions that will foreseeably financially affect such interests.

   c. If the disclosure provisions of the Political Reform Act are applicable to any individual providing service under this Agreement, CONTRACTOR shall, upon execution of this Agreement, provide the COUNTY with the names, description of individual duties to be performed, and email addresses of all individuals, including but not limited to CONTRACTOR's employees, agents and subcontractors, that could be substantively involved in "making a governmental decision" or "serving in a staff capacity and in that capacity participating in making governmental decisions or performing duties that would be performed by
an individual in a designated position," (2 CCR 18701(a)(2)), as part of CONTRACTOR's service to the COUNTY under this Agreement. CONTRACTOR shall immediately notify the COUNTY of the names and email addresses of any additional individuals later assigned to provide such service to the COUNTY under this Agreement in such a capacity. CONTRACTOR shall immediately notify the COUNTY of the names of individuals working in such a capacity who, during the course of the Agreement, end their service to the COUNTY.

d. If the disclosure provisions of the Political Reform Act are applicable to any individual providing service under this Agreement, CONTRACTOR shall ensure that all such individuals identified pursuant to this section understand that they are subject to the Act and shall conform to all requirements of the Act and other laws and regulations listed in subsection (A) including, as required, filing of Statements of Economic Interests within 30 days of commencing service pursuant to this Agreement, annually by April 1, and within 30 days of their termination of service pursuant to this Agreement.

4. **APPLICABLE LAWS AND VENUE**
   This Contract has been executed and delivered in, and shall be construed and enforced in accordance with, the laws of the State of California. In the event that suit is brought by either party, the parties agree that trial of such action shall be exclusively vested in a state court in the County of Santa Clara or, if federal jurisdiction is appropriate, in the United States District Court for the Northern District of California, San Jose, California.

5. **SUBCONTRACTING AND ASSIGNABILITY**
   This Contract cannot be subcontracted or assigned without prior written approval of COUNTY. In the event of such approval, any sub-contract or assignment is subject to the same provisions for providing service as the Contract between COUNTY and CONTRACTOR. CONTRACTOR must monitor, evaluate, and account for the sub-contractor(s) services and operations. Any assignment of this Contract or sub-contract entered into in violation of this provision by CONTRACTOR is void and CONTRACTOR will be held legally responsible.

6. **WAIVER**
   The waiver of any breach of the terms hereof, or of any default hereunder, is not deemed a waiver of any subsequent breach or default, whether of the same or similar nature, and does not affect the terms hereof. No waiver or modification is valid or binding unless in writing and signed by both parties.

7. **INDEPENDENT CONTRACTOR STATUS**
   CONTRACTOR will perform all work and services described herein as an independent contractor and not as an officer, agent, servant, or employee of COUNTY. None of the provisions of this Contract is intended to create, nor will be deemed or construed to create, any relationship between the parties other than that of independent parties contracting with each other for purpose of effecting the provisions of this Contract. The parties are not, and will not be construed to be in a relationship of joint venture, partnership, or employer-employee. Neither party has the authority to make any statements, representations, or commitments of any kind on behalf of the other party, or to use the name of the other party in any publications.
or advertisements, except with the written consent of the other party or as is explicitly provided herein. CONTRACTOR is solely responsible for the acts and omissions of its officers, agents, employees, contractors, and subcontractors, if any.

The foregoing requirements as to the types and limits of insurance coverage to be maintained by the Contractor and any approval of said insurance by the County or its insurance consultant(s) are not intended to and shall not in any manner limit or qualify the liabilities and obligations otherwise assumed by the Contractor pursuant to this Agreement, including but not limited to the provisions concerning indemnification.

2. The County acknowledges that some insurance requirements contained in this Agreement may be fulfilled by self-insurance on the part of the Contractor. However, this shall not in any way limit liabilities assumed by the Contractor under this Agreement. Any self-insurance shall be approved in writing by the County upon satisfactory evidence of financial capacity. Contractors obligation hereunder may be satisfied in whole or in part by adequately funded self-insurance programs or self-insurance retentions.

3. Should any of the work under this Agreement be sublet, the Contractor shall require each of its subcontractors of any tier to carry the aforementioned coverages, or Contractor may insure subcontractors under its own policies.

4. The County reserves the right to withhold payments to the Contractor in the event of material noncompliance with the insurance requirements outlined above.
F. **Fidelity Bonds** (Required only if contractor will be receiving advanced funds or payments)

Before receiving compensation under this Agreement, Contractor will furnish County with evidence that all officials, employees, and agents handling or having access to funds received or disbursed under this Agreement, or authorized to sign or countersign checks, are covered by a BLANKET FIDELITY BOND in an amount of AT LEAST fifteen percent (15%) of the maximum financial obligation of the County cited herein. If such bond is canceled or reduced, Contractor will notify County immediately, and County may withhold further payment to Contractor until proper coverage has been obtained. Failure to give such notice may be cause for termination of this Agreement, at the option of County.
CONTRACTOR: Unity Care Group, Inc.

PROGRAM: Imani Village (IMANI)

1. **TERM OF CONTRACT**
The term begins on **July 1, 2015** and expires on **June 30, 2016** unless terminated earlier or otherwise amended.

2. **MAXIMUM FINANCIAL OBLIGATION**
COUNTY will reimburse CONTRACTOR actual allowable expenditures subject to the provisions of this Contract, not to exceed **$75,000.00**.

3. **BUDGET CONTINGENCY**
This Contract is contingent upon the appropriation of sufficient funding by the County for the services covered by this Contract. Notwithstanding the termination provisions set forth herein, if funding is reduced or depleted by the County for services covered by this Contract, the County has the option to either terminate this Contract without notice (except that necessary to transition clients in the discretion of the County) and with no liability occurring to the County, or to offer an amendment to this Contract indicating the reduced amount.

4. **COMPENSATION TO CONTRACTOR**
   a. **Cost Reimbursement Contract**
   CONTRACTOR will be reimbursed by COUNTY for its actual, reasonable, necessary, and allowable costs incurred up to the maximum compensation, for the performance of services as specified in this contract. These costs will also be in accordance with current cost principles and with all other requirements of this contract:

   1. For Non-Profit Agencies, OMB Circular A-122.
   2. For Local Governments, OMB Circular A-87.

   (ii) If CONTRACTOR provides any tasks, deliverables, goods, services, or other work, other than as specified in this contract, the same will be deemed to be a gratuitous effort on the part of the CONTRACTOR, and the CONTRACTOR will have no claim whatsoever against COUNTY.

   (iii) CONTRACTOR must participate in a closeout period at the end of the COUNTY funding period. During the closeout period all funds awarded to CONTRACTOR must be reconciled to the costs incurred and to the remaining cash, if any. A closeout packet will be provided to CONTRACTOR by COUNTY at the end of the funding period and is due within forty-five (45) days thereafter. This provision survives the termination of this contract.
b. **Cost Reimbursement Claim**
CONTRACTOR must submit to COUNTY a cost reimbursement claim in a form approved by COUNTY, by the tenth (10th) working day of each month for services performed during the preceding month.

(i) Prior to submittal, cost reimbursement claims must be certified and signed by a responsible officer of CONTRACTOR with authority to certify that the information submitted by CONTRACTOR is accurate and CONTRACTOR is entitled to payment under the terms of the contract. COUNTY may rely on said certification in making payment, but this payment will not constitute a waiver of any of COUNTY’s legal rights or objections.

(ii) If the cost reimbursement claim is in proper form and the items billed are payable under this contract, COUNTY will make payment to CONTRACTOR within twenty-one (21) working days after receipt of the cost reimbursement claim.

(iii) COUNTY will not be required to make payment if the amount claimed is not in accordance with the provisions of this contract. All payments under this contract will be made directly to CONTRACTOR as a corporate entity. Under no circumstances will COUNTY be required to make payments in any amount pursuant to this contract to any other parties, including individual employees or creditors of CONTRACTOR.

(iv) COUNTY is not obligated to reimburse CONTRACTOR for any expenditure not reported to COUNTY within sixty (60) calendar days after the end of the last month of the contract term.

5. **ADJUSTMENT TO WORKPLAN**
The COUNTY may approve modifications to the Work Plan to ensure that the Work Plan is consistent with the Program Provisions and is in the best interest of the target population specified in the contract. Adjustments are intended to clarify the services and activities specified in the contract and are not formal contract amendments, as long as the adjustments do not modify the scope of work or total contract amount. The CONTRACTOR will submit sufficient written documentation to the COUNTY that clearly explains the requested adjustment(s) and the reason for the adjustment(s), and how the adjustment will impact service delivery to the clients. Adjustments will be approved, in writing by the COUNTY’s designated representative or designee, and the CONTRACTOR’s representative or designee.

6. **ADJUSTMENT TO EXHIBIT C: BUDGET**
A budget adjustment can be made by the COUNTY without a formal contract amendment as long as the adjustment does not increase the maximum financial obligation specified in Section 2 of this Exhibit, and doesn’t have a negative impact on the CONTRACTOR’s ability to meet the obligations of this contract.

CONTRACTOR may request a budget revision by submitting the COUNTY’s Budget Revision Request form to the COUNTY’s designated contract/program monitor.
Exhibit A: Program Provisions

Budget Revision Request must include a statement explaining the impact that the budget revision, if approved, would have on the program/service delivery. Upon approval of the CONTRACTOR's Budget Revision Request, COUNTY will forward an approved copy of the Budget Revision Request form to the CONTRACTOR.

Brief Project Description

Three tiers of service will be offered for at-risk students of middle and high school age. Tier 1 services address the academic needs of children who are failing academically but do not have serious socio-emotional or emotional issues. Tier 2 services address the academic needs and the mental health needs of children who are failing academically and who have socio-emotional or mental health issues that are factors impeding academic performance. Tier 3 services address the academic and the mental health needs of children who are failing academically and who have serious socio-emotional or mental health issues that require the off-site attention of a psychiatrist or mental health clinician or psychologist in addition to assistance with academics at the school site. The premise in tier 3 is that the problems of the child significantly contribute to or result from the challenges of the parents; so the aim is to deal with the parent’s problems in order to improve things for the child who is failing academically. Ninety students and 152 caregivers will be served, 56 children and 112 caregivers at the tier 1 level, 22 students and 33 caregivers at the tier 2 level, and 12 students and 18 caregivers at the tier 3 level. Number of sessions and hours devoted to each child and the child’s caregivers is dependent on assessed need and monitoring of intervention results.

In the space below, please explain how you calculated the number of hours for Component 1.

Each student is assessed on entering the program. The actual hours of service received by each student is determined by the severity of each student’s need. The focus of service in tier 1 is on academic assistance. The goal is to provide at least one hour of service per student per week over a 48 week period. Meetings with parents are periodic rather than weekly. An average of 1 hour per week per student was the starting point for calculation. 56 students would be served for 48 weeks at 1 hour per student per week. 56 x 48 x 1 = 2688

In the space below, please explain how you calculated the number of hours for Component 2.

As noted above, each student is assessed on entering the program. The actual hours of service per week per student will be determined by need. Tier 2 students receive both academic assistance and mental health services. The goal is to provide at least 1.5 hours of service per student per week over a 48 week period. Again, parents are seen less often than students. An average of 1.5 hours per week per student was the starting point for calculation. 22 students would be served for 48 weeks at 1.5 hours per student per week. 22 x 48 x 1.5 = 1584

In the space below, please explain how you calculated the number of hours for Component 3.

Tier 3 students receive both academic assistance and mental health services. The goal is to provide at least 2 hours of service per student per week over a 48 week period. In addition to academic assistance, mental health service is routinely offered in a family context with both the student’s caregivers and the student present. An average of 2 hours per week per student was the starting point for calculation. 12 students would be served for 48 weeks at 2 hours per student per week. 12 x 48 x 2 = 1152

In the space below, please explain the services or activities that will be paid for by other funding source(s).

The same services as will be provided using County funds will be provided using other funding. The ratio of County funding to other funding is 10 to 1. Thus the figures listed above for use of other funding represent one-tenth the service supported by County funds.

Number of Participants

56 students will receive tutoring and social support. The outcome we expect is that at least 60% of students will show a positive change in grade point average over the course of their participation in the program. GPA is determined by student grades in individual classes which are then consolidated to compute grade point average. GPA will be supplied by each school to Imani staff. The caretakers of the students, whether that be one parent, both parents, or a relative will be offered opportunities for engagement in school activities throughout the school year. Because each family’s caregiver arrangement is different, we are estimating that we will offer caregiver engagement opportunities to about 112 caregivers. Our expectation is that 80% of caregivers will engage in at least 3 parent engagement opportunities over the course of the school year. Engagement will be recorded in two ways and then tallied. First, attendees at events will sign in. Second, some engagement events are individual meetings with counselors. In these instances, the counselor will make a note of the meeting. We will total the number of engagements from these two engagement types to determine the percentage of caregivers who engaged in at least 3 school events.

Number of Participants

1) Student school suspensions are reduced; 2) Academic achievement is increased. Suspensions are recorded by the school. We will count each student’s suspensions as recorded in the suspension log. Our expectation is that the number of suspensions will reduce throughout the student's period of participation in the program. Academic achievement is recorded by the school and is distributed after each grading period. Our expectation is that student GPA will rise throughout the time the student participates in the program. 3) Caregiver engagement in their student's school is increased. Caregivers will be given regular opportunities to engage. In the short term, we expect that 80% of caregivers will participate in at least one caregiver engagement event.

The goal of tier 3 service is to help caregivers overcome personal mental health problems that are adversely affecting the academic performance of their children. Standard psychological assessment instruments will be used by the clinician to determine each caregiver's needs. A treatment plan with goals and milestones is created and agreed to by the caregiver. Treatment is given and outcomes assessed by the clinician. Our expected outcome is that at least 25% of caregivers treated will achieve the goals set forth in their treatment plan.
