We have to lean into the expertise and the trust that our on the ground agencies in the Eastside have with community members. **Sí Se Puede Collective** — Amigos de Guadalupe; Grail Family Services; the School of Arts and Culture at the Mexican Heritage Plaza; SOMOS Mayfair; and Veggielution.
POWER OF THE ARTS
The Plaza is building a digital content platform and continue to engage audiences that are seeking the healing power of the arts. We are best positioned, to help the county with culturally competent, social justice and safety messaging.
In the Eastside, Veggielution and the Mexican Heritage Plaza collectively have over 12 acres of community space that can be leveraged by the County to meet needs. They already offer food distribution at each site. And we can do much more!
