A – Board Policy Manual Section 5.5.5.5 Relating to Living Wage Provisions in County Contracts
Basic Wage and Benefit Standards

Employees of County Contractors, and their Subcontractors, who provide Direct Services within the geographic boundaries of Santa Clara County, as part of a County Services Contract, as those terms are defined in the County’s Living Wage Ordinance, shall be compensated at least pursuant to the following standards for their work as part of the County Service Contract:

- As of the adoption date of this Policy, $19.06 per hour shall be a minimum hourly wage, adjusted annually for cost of living using the identical methodology to that used by the City of San Jose, as follows: The rates will be reviewed each year, no later than the 10th of February, to determine if any adjustment should be made based on any change as of December 31st of the previous year in the federal poverty level standard or the geographic cost of living differential provided by the Economic Research Institute’s Geographic Assessor. If either standard has changed the County shall recalibrate the wages by multiplying the federal poverty level standard for a family of 3 by said geographic cost of living differential. If neither standard has changed, the Consumer Price Index for all urban consumers (CPI-U) in the San Francisco-Oakland-San Jose regional area (United States Department of Labor, Bureau of Labor Statistics) shall be reviewed. If the CPI-U has increased by at least 1%, the wage rate shall be adjusted by the same percentage change in the CPI but not to exceed 3%.

- Employers who contribute to affordable individual health coverage for the employee shall have $2.00 credited toward compliance with the minimum wage. Employers who contribute at least $2.00 per hour to a retirement plan for the employee shall have another separate $2.00 credited toward compliance with the living wage. Therefore, employers may qualify for none, one, or both credits.

- The resulting living wage is maintained by the Office of Countywide Contracting Management and available for reference online at http://www.sccgov.org/livingwage

- Employees shall receive at least one hour of compensated time off earned per 20 hours worked, up to a maximum of 12 days earned per year, which may be used for the employee’s own sickness or to care for an ill family member or designated person. If the employee has no spouse or registered domestic partner, the employee may designate one person as to whom the employee may use compensated time off to aid or care for the person. Paid sick days, paid vacation days, and paid personal days shall count toward the required compensated time off, if those days may be used for such illness situations.

- The employer shall offer paid time off for employees required to report for jury duty, up to at least five days per year. These Basic Wage and Benefit Standards do not apply to volunteers, interns, on-call and per diem wages, reimbursements by stipend, hourly wages not paid by County Service Contracts, or employees working for less than 5 hours per week as part of the County Service Contract.
Basic Job Security Standards

Employees of County Contractors, and their Subcontractors, who provide Direct Services within the geographic boundaries of Santa Clara County, as part of a County Services Contract, shall enjoy the following protections at work:

- Employers shall not retaliate against workers who request their rights under the Living Wage Ordinance or Board Policy 5.5.5.5.

- The employer shall follow the same policies regarding background checks and review of possible contact with the criminal justice system that are followed by the County with County employees providing similar services. Specifically, the employer shall not ask an applicant for employment to disclose, orally or in writing, information concerning the applicant’s conviction history, including any inquiry about conviction history on any employment application, until the employer has determined the applicant meets the minimum employment qualifications, as stated in any notice for the position. This requirement shall not prevent the employer from conducting a conviction history background check after determining the applicant meets the minimum employment qualifications. This qualification-assessment-first requirement shall not apply to a position for which the employer is required by law to conduct a conviction history background check, to a position within a criminal justice agency as defined in Section 13101 of the Penal Code, or to any individual working on a temporary or permanent basis for a criminal justice agency on a contract basis or on loan from a governmental entity.

- Employers shall not retaliate against an employee for engaging in lawful efforts to unionize their workforce.
