The California Legislature created the Air District in 1955 (California Health and Safety Code 39000 - 40276) as the first regional air pollution control agency in the country. The Air District is tasked with regulating stationary sources of air pollution in the nine counties that surround San Francisco Bay: Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, Santa Clara, southwestern Solano, and southern Sonoma counties. It is governed by a 24-member Board of Directors composed of locally elected officials from each of the nine Bay Area counties, with the number of board members from each county being proportionate to its population.

The Board oversees policies and adopts regulations for the control of air pollution within the district. The Board also appoints the Air District’s Executive Officer/Air Pollution Control Officer, who implements these policies and gives direction to staff, as well as the District Counsel, who manages the legal affairs of the agency. The Air District consists of over 340 dedicated staff members, including engineers, inspectors, planners, scientists, and other professionals.

The Air District is assisted by an Advisory Council that provides input to the Board and the Executive Officer on air quality matters and a Hearing Board. The Hearing Board is an independent, five-member body that serves to adjudicate regulatory compliance issues that may arise between the Air District and local industries, and also hears appeals of permitting decisions made by the Executive Officer.

The County of Santa Clara nominates 2 members on the BAAQMD who shall be a member of the Board of Supervisors or persons on the list submitted to the Board of Supervisors by the City Selection Committee.

The Bay Area Water Supply and Conservation Agency (BAWSCA) was created on May 27, 2003 to represent the interests of twenty-four (24) cities and water districts, and two (2) private utilities, in Alameda, Santa Clara and San Mateo counties that purchase water on a wholesale basis from the San Francisco regional water system.

The BAWSCA was enabled by AB 2058 (Authors: Assembly members Louis Papan, John Dutra and Joe Simitian). The Legislature’s overwhelming support for the bill demonstrated the state’s recognition of the need for local government to protect the health, safety and economic well being of 1.7 million people, businesses and community organizations in the three counties.

The BAWSCA is the only entity having the authority to directly represent the needs of the cities, water districts and private utilities (wholesale customers) that depend on the regional water system. BAWSCA provides the ability for the customers of the regional system to work with San Francisco on an equal basis to ensure the water system gets fixed, and to collectively and efficiently meet local responsibilities.

The BAWSCA has the authority to coordinate water conservation, supply and recycling activities for its agencies; acquire water and make it available to other agencies on a wholesale basis; finance projects, including improvements to the regional water system; and build facilities jointly with other local public agencies or on its own to carry out the agency’s purposes.

The BAWSCA is governed by a twenty-seven (27) member Board of Directors comprised of respected community leaders representing the 25 cities and water districts that are member agencies of BAWSCA, and two private utilities that also have appointees to the board, Stanford University and California Water Service Company. Santa Clara County Board of Supervisors only appoints to the seat representing Stanford University.

The Board of Directors shall consist of five (5) Directors. The number of Directors may be changed to seven (7) or nine (9) Directors by resolution adopted by a majority of the members of the Board of Directors after publication of notice of the intended change at least once in a newspaper of general circulation published in each county in which the district is located.

Directors must be a landowner or an agent of a landowner in the District or must have served at least two years as an Associate Director on the Board. The resolution shall remain in effect until rescinded by the Board of Directors, or until a petition requesting the rescission signed by five (5) percent of the voters of the district is received by the elections official not later than 120 days prior to the election.

On June 21, 2004, the Board of Directors passed Resolution 2-04 which requested that the Board of Supervisors make appointments to the Board of Directors in lieu of an election. The Board of Directors has not acted to rescind the resolution.

If the directors are to be appointed, a notice of election shall not be published, but a notice of vacancy shall be posted pursuant to section 54974 of the Government Code. The expiration of the term of any Director does not constitute a vacancy, and the Director shall hold office until his or her successor has been qualified. Senate Bill 1760 (Section 749.22 of the Welfare and Institutions Code, Statutes of 1996) established the Juvenile Crime Enforcement and Accountability Challenge Grant Program. The Juvenile Crime Enforcement and Accountability Challenge Grant Program provides state grants to counties and cities who demonstrate a collaborative and integrated approach for the apprehension, treatment, rehabilitation, punishment and incarceration of juvenile offenders.

Assembly Bill 1913 enacted the Schiff-Cardenas Crime Prevention Act 2000 (CPA 2000). The purpose of this legislation is to allocate funds to all California counties for programs which demonstrate a collaborative and integrated approach to implementing swift, certain, and graduated responses for at-risk youth and juvenile offenders.

The Board of Supervisors adopted a Resolution creating the Juvenile Justice Coordinating Council (JJCC) on November 19, 1996.

The tasks of the Council include assessing current resources, identifying service areas where resources may not be adequate, and developing proposals to prevent and respond effectively to juvenile crime. The JJCC will oversee this planning process, which will result in a final Local Action Plan to be submitted to the Board of Corrections by March 14, 1997. The planning process will be closely integrated with efforts of the Crime Task Force and Joint Conference Committee on Children and Youth.

CPA 2000 requires that the JJCC consist of the membership required in section 749.22 of the Welfare and Institutions Code (chapter 325, statue of 1998) as follows:

1. The Chief Probation Officer, as chair
2. One representative from the District Attorney’s Office
3. One representative from the Public Defender’s Office
4. One representative from the Sheriff’s Office
5. One representative from the Board of Supervisors
6. One representative from the Department of Social Services.
7. One representative from the Department of Mental Health.
8. One representative from a community-base drug and alcohol program.
9. One representative from a city police department
10. One representative from the County Office of Education or a school district
11. One at-large community representative
12. In order to carry out its duties pursuant to this section, a coordinating council shall also include representatives from nonprofit community-base organizations providing services to minors.

The appointments to the JJCC are permanent.

The Juvenile Justice Systems Collaborative (JJSC) shall provide a channel for system partners to work together in the best interest of the minors in the juvenile delinquency system while preventing or reducing the unnecessary detention of minors. The JJSC will work with other juvenile justice bodies to maximize resource efficiency and avoid duplication of efforts. The JJSC will address the issue of disproportionate minority representation in the juvenile justice system.

The Juvenile Justice Systems Collaborative, hereinafter to be referred to as the "JJSC," was established by resolution of the Board of Supervisors on June 3, 2008. The JJSC was established for a three-year period, commencing July 1, 2008, and has been extended several times by the Board of Supervisors. The current extension period is July 1, 2017 through June 30, 2020.

In June 2015, the Board of Supervisors expanded the JJSC's role, to include providing guidance and recommendations to the Neighborhood Safety Unit that the Board established as part of its FY 2016 budget in order to reduce juvenile crime and foster safe neighborhoods in Santa Clara County.

In April 2019, the Board of Supervisors approved the designation of the JJSC as the Local Justice Assistance Grant Steering Committee for the Edward Byrne Memorial Justice Grant related to implementing strategies that decrease the number of youthful offenders who commit violent crimes.

The JJSC shall have the following duties: 1) Partner with the community, the Juvenile Justice System, including but not limited to Law Enforcement Agencies, the Probation Department, the District Attorney, the Public Defender, the Independent Defense Counsel Office, and the Juvenile Courts to better help our youth, rehabilitate and continually improve System processes. 2) Demonstrate a commitment toward a fair justice system for Juveniles. 3) Work toward preventing children from entering the juvenile justice system. 4) Ensure the deployment of evidence-based practices in the county’s Juvenile Justice System. 5) Create more effective opportunities for rehabilitation for our youth. 6) Form the Prevention Programs Workgroup and the Juvenile Case Systems and Processes Workgroup to assist in planning, policy, goal and priority recommendations and such functions as the JJSC deems necessary. 7) Review and make recommendations provided by the Workgroups to the Board of Supervisors. 8) Maintain consistent attendance by JJSC members. 9) Provide guidance and recommendations to the County’s Neighborhood Safety Unit in the Unit’s development and evaluation of neighborhood safety and its implementation of services where needed. 10) With Board of Supervisors approval regarding each grant, act as a grant steering committee or oversee grant-term compliance, where the grant supports the purpose of the JJSC.

The JJSC membership consists of twenty-nine (29) members. Membership shall consist of the following officials or their designee:

1. Chair, County Executive's Representative or named alternate.
2. Chief Probation Officer's Representative or named alternate.
3. County Counsel's Representative or named alternate.
4. Behavioral Health Services Department Director's Representative or named alternate.

The Loma Prieta Resource Conservation District provides for soil, water, and related conservation.

The District was created by Santa Clara County Board of Supervisors Resolution on July 13, 1942. The original name of the District was Loma Prieta Soil Conservation District. The District includes Morgan Hill, Gilroy, and surrounding areas. A map showing the specific boundaries is available on the District’s website, http://lomaprietarcd.org.

The District has legal authority to cooperate with other government agencies, associations, persons, and corporations. With the consent of the owner, the District may construct on privately or publicly owned lands, necessary works for the prevention and control of soil erosion and for erosion stabilization.

The Board of Directors shall consist of five (5) Directors. The number of Directors may be changed to seven (7) or nine (9) Directors by resolution adopted by a majority of the members of the Board of Directors after publication of notice of the intended change at least once in a newspaper of general circulation published in each county in which the district is located.

Directors must be a landowner or an agent of a landowner in the District or must have served at least two years as an Associate Director on the Board. They must also be registered to vote in the District. No Director or other officer of the District shall be interested directly or indirectly in the sale of equipment, materials, or services to the District.

As an alternative to the election of Directors, the Board of Directors may, by a resolution presented to the Board of Supervisors of the principal county, request the Board of Supervisors to appoint Directors. In any election year, the Board of Directors shall file its request with the Board of Supervisors not later than 125 days prior to the election. The resolution shall remain in effect until rescinded by the Board of Directors, or until a petition requesting the rescission signed by five (5) percent of the voters of the district is received by the elections official not later than 120 days prior to the election.

On June 28, 2000, the Board of Directors passed Resolution 2aa which requested that the Board of Supervisors make appointments to the Board of Directors in lieu of an election.

If the directors are to be appointed, a notice of election shall not be published, but a notice of vacancy shall be posted pursuant to section 54974 of the Government Code. The Board of Supervisors shall appoint Directors from those candidates who have filed an application with the Board of Supervisors, as prescribed by the Board of Supervisors. If the Board of Supervisors does not conduct interviews of potential candidates or make an appointment within 60 days after the expiration of the term, the Board of Directors may make the appointment themselves.

The appointment of Directors by the Board of Supervisors does not affect the status of a district as an independent special district.

Pursuant to Public Resources Code Section 9314, the term of office of the Directors, except those first elected, shall be four (4) years. The expiration of the term of any Director does not constitute a vacancy, and the Director shall hold office until his or her successor has been qualified. If a vacancy occurs, a notice of unscheduled vacancy shall be posted pursuant to Government Code Section 54974.

The Los Altos Hills County Fire District is empowered to establish, equip, and maintain a fire department. It may enter into contracts for the purpose of fire protection and may perform any or all activities necessary for the prevention of fires.

The Los Altos Hills County Fire District was originally formed on October 23, 1939 by Resolution of the Board of Supervisors after an election was held of the qualified electors in the district approving the formation of the Fire Protection District. The Fire Protection District Law is contained within Section 13800 of the State Health and Safety Code and contains enabling legislation.

The District provides fire protection to the unincorporated area adjacent to the City of Los Altos and approximately 12.1 square miles in the Town of Los Altos Hills bounded by Arastradero Road, Permanent Creek and the City of Palo Alto and the Mid-Peninsula Regional Park District and Permanent properties. The District serves approximately 12,000 people.

The Board of Supervisors appoints a seven (7) member Board of Directors. Appointments are to provide for equal representation to the extent possible on the basis of population of incorporated and unincorporated territories.

All Board members must live within the boundaries of the Fire District and be registered voters as provided in the 1980 Resolution adopted by the Board of Directors.

Each Director shall serve a term of four (4) years. Pursuant to Resolution No. BOS-2012-418, approved on 9/11/12, no person appointed as a member of the Los Altos Hills County Fire District may serve as such for more than three successive four-year terms in addition to any portion of any prior terms or partial terms served. Effective upon expiration of the 2012 term, the term of Seat 1 shall be two years, with subsequent terms being four years. The term of all other seat shall remain four years. The term limit does not apply retroactively to prior terms served; i.e., members who have already served one or more terms to date will still be eligible to serve three more successive terms following the adoption of the aforementioned resolution.

Members are divided into 2 categories. Ten members serve as District Representatives, two from each of the supervisorial districts. Seven members serve as Organization Representatives, one from each of the seven different organizations specified by the Measure. Those organizations are: the California's Taxpayers Association, the San Jose Silicon Valley Chamber of Commerce, the Sierra Club, the South Bay Labor Council, the Silicon Valley Manufacturing Group, the Greenbelt Alliance, and the Building and Construction Trades Council. To be eligible to serve on the Committee, an individual must be a resident of Santa Clara County who is not serving as an elected official. District Representatives additionally must reside in the districts that they represent. Appointments are made by the County Executive or his/her designee.

District Representatives are limited to single two-year terms, with all ten terms expiring simultaneously. Organization representatives are not term-limited, and serve at the pleasure of their nominating organizations.

The Public Authority for In-Home Supportive Services Advisory Board studies, reviews, evaluates, and makes recommendations to the Public Authority Governing Body and the Public Authority Executive Director relative to matters affecting persons receiving In-Home Supportive Services in the County, including but not limited to advocating on behalf of all County residents not receiving In-Home Supportive Services who require in-home attendant services to live independently in the community.

In 1992 California State Budget trailer bill SB485 was passed and allowed counties to create Public Authorities for IHSS. Complying with the statute requirements (the Welfare and Institutions Code 12300), the Santa Clara County Board of Supervisors adopted an enabling ordinance in December 1996 that requires the appointment of an advisory board of not more than 11 individuals and states that no fewer than 50 percent of the membership of the advisory board shall be individuals who are current or past users of personal assistance services paid for through public or private funds. Since the contract mode of service ended in June 30, 2003, the bylaw was revised to state that the position be filled by a consumer of IHSS services within the County. A parent or family member of IHSS consumer now fills the position previously held by a registry staff. The revised bylaw was adopted on March 1, 2005.

The Public Authority for In-Home Supportive Services Advisory Board consists of eleven (11) members appointed by the Public Authority Governing Body.

Members shall be selected as follows:

a) Six (6) are to be consumers
b) Two (2) members are seniors
c) Four (4) members are to be disabled persons of whom one is a senior advocate and one is an advocate for the disabled. Both senior and disabled advocates should have served or be currently serving on senior or disability advisory committee, board, or commission within the County of Santa Clara. No less than four (4) of the consumers must be current or recent consumers of County In-Home Supportive Services.
d) The remaining five (5) advisory board members must represent the following:
   1) One is a parent or family member of a consumer of IHSS
   2) One is a consumer
   3) One is a union representative independent provider
   4) One is a representative from the Board of Supervisors
   5) One is a public health representative who has knowledge of both geriatrics and disability.

Representative from the Social Services Agency’s IHSS program will serve as a liaison between the Advisory Board and County IHSS and will be an “ex-officio” non-voting member of the Advisory Board.

The term for members shall be four (4) years. No member shall be eligible to serve on such committees for more than three (3) consecutive terms in addition to any portion of any unexpired term which may have been served. A member may, after a two-year absence from the advisory board, be reappointed after reaching the term limits.

The purposes of the Health Authority Governing Board are to meet the problems of delivery of publicly assisted medical care in Santa Clara County; to demonstrate ways of promoting quality care and cost efficiency, and to further such other purposes as are contemplated by section 14087.38 and described in the ordinance. Bylaws were amended on November 18, 2004. On August 9, 2005 the Ordinance was amended (NS-300.738) to extend the term limits of initial Board Members to five consecutive terms and other Members to four consecutive terms. The membership, qualifications, term of office, and nomination and appointment process were amended by adoption of Santa Clara County Ordinance No. NS-300.823 on June 22, 2010. Approval of NS-300.852 on April 3, 2012 changed the nominating process, authorizing the Board of Supervisors to nominate and appoint all members.

The Santa Clara County Health Authority was established in 1995 by Ordinance NS-300.576, pursuant to Section 14087.38 of the California State Welfare and Institutions Code.

The status and powers of the Health Authority are: 1) The Health Authority shall be an entity separate from the County of Santa Clara. Obligations of the Health Authority shall not, directly or indirectly, be obligations of the county or any officials, employees, or agents of the County. The County (including all officials, employees, and agents) shall not be liable for any act or omission of the Health Authority. 2) The Health Authority shall have the power to negotiate and enter into contracts with the State Department of Health Services and to arrange for the provision of health care services for Medi-Cal beneficiaries as authorized by Sections 14087.38. 3) To the extent authorized by Section 14087.38, the Health Authority may also enter into contracts to arrange for the provision of health care services to individuals including but not limited to, those covered under Subchapter XVIII (commencing with Section 1395) or Chapter 7 of Title 42 of the United States Code, those entitled to coverage under other publicly supported programs, those employed by public agencies or private businesses, and uninsured or indigent individuals. 4) The Health Authority shall have all the rights, powers and duties, privileges and immunities expressed, either directly or implicitly, in Section 14087.38 of the Welfare and Institutions Code. Chapter 1 of Division A6 of the Santa Clara County Ordinance Code containing general rules and procedural requirements shall not apply to the Health Authority.

The governing board of the Health Authority shall consist of thirteen (13) members. Each member shall have a fiduciary duty to act in the best interest of the Health Authority.

All board members are appointed by the county Board of Supervisors and shall be chosen for their willingness and ability to effectively contribute to and support the objectives of the Health Authority, shall have a commitment to a health care system that seeks to improve access to quality health care for persons served by the Health Authority, and shall have a commitment to maintaining and preserving a health care safety net for the medically indigent and uninsured populations of Santa Clara County. Board members shall either reside, be employed, or provide services in Santa Clara County, and shall be generally representative of the diverse backgrounds, interests and demography of persons residing in Santa Clara County.

The terms for all Board members shall be two years. No Board member may serve more than four consecutive terms.

The District provides fire protection to the unincorporated area south of Bernal Road and serves approximately 30,000 County residents.

The South Santa Clara County Fire District was originally formed on April 14, 1980 by Resolution of the Board of Supervisors with the consolidation of the former Gilroy Rural Fire Protection District and the Morgan Hill Rural Fire Protection District. The Fire Protection District Law is contained within Section 13800 of the California State Health and Safety Code and contains enabling legislation.

The District is empowered to establish, equip, and maintain a fire department. It may enter into contracts for the purpose of fire protection and may perform any or all activities necessary for the prevention of fires.

The Board of Supervisors appoints seven (7) members to the Board of Commissioners.

The appointment of Fire District Commissioners shall provide for equal geographic representation throughout the District, whenever possible, as generally indicated below in the stated qualifications for each seat. However, if District staff makes diligent efforts to identify potential appointees meeting the locational qualifications listed below, and is unable to find potential appointees meeting the locational qualifications, the Board of Supervisors, acting as the Fire District Board of Directors, may appoint Commissioners not meeting the locational requirements listed, as long as the Board finds that it was not possible to find Commissioners meeting the locational requirements.

District Commissioners serve a term of four (4) years, and have no term limits.

YOUTH TASK FORCE

The Santa Clara County Youth Task Force is composed of young people, from the ages of 12 to 18, that strive to make a difference. The Task Force serves as an advisory body to the Santa Clara County Board of Supervisors and the Human Relations Commission.

The Taskforce addresses the issues that teens face on a regular basis. They work to educate teens about the harms that affect their community and strive to find solutions and policies that will make improve the lives of young people today. In doing so, they promote youth activism and advocacy, establishing a firm belief in the importance of youth speaking to youth. They seek to inspire teens to embrace the culture and diversity around them, to work together and contribute in making positive change for youth.

In 2011, the Santa Clara County Youth Task Force was revitalized by the Board of Supervisors, to serve as an official advisory board to the Board of Supervisors and other policymakers and decision-makers in Santa Clara County to address issues that face young people in the County.

The "new" Youth Task Force created an official advisory committee with direct input to the Board of Supervisors. This action, in effect, eliminated the Human Relations Commission's advisory role in this capacity and brought forth the "new" body in its place as the advisory committee. The "new" Youth Task Force has been granted advisory authority previously granted to the Commission, and will assume the same powers and duties as designated in the Ordinance Code § A6-54(i). This assumption of the powers and duties in the Ordinance Code created a new legislative body.

The purposes which guide the direction of the YTF are:

A. Work in an advisory capacity to the Board of Supervisors on matters pertaining to youth.
B. Identify current and emerging issues that impact youth and propose actions that address these issues.
C. Analyze policies and programs that impact children and youth in Santa Clara County.
D. Provide informed advice to local policy-makers.
E. Creating positive policy changes that make Santa Clara County a better place for youth to grow up.
F. Serving as a voice for youth of Santa Clara County, but also striving to bring the voices of all community youth to the table through collecting data on youth issues and opinions.
G. Bringing youth and adults from the county together and improving youth adult partnerships through training, support and technical assistance.
H. Support community service activities throughout the county.

The YTF is composed of sixteen members. Each Board of Supervisor district will have two representatives and there will be six at large members.

Nominees shall be a resident of Santa Clara County who will be in grades 8 through 12 during the next Youth Task Force term following his/her appointment will be eligible for membership.

Appointments for the YTF shall be made in September of each year, with all members holding a one (1) year term. A YTF term will start in September and end in August. YTF members may be appointed for up to three (3) consecutive terms.
