ATTENTION TRAVELERS

COVID-19 Mandatory Quarantine

Have you traveled more than 150 miles on your trip (directly or indirectly) into the County? If so, to reduce the risk of transmitting COVID-19, you MUST QUARANTINE FOR AT LEAST 10 DAYS UPON YOUR ARRIVAL at either your home or a place of temporary shelter by Mandatory Order of the County of Santa Clara Health Officer.

While quarantining, you must not have contact with anyone outside of your immediate traveling party or your household.

You may be exempt from some or all of this mandatory quarantine if you meet certain narrow conditions.
