

# Know Your COVID-19 Risk

## Family Gatherings

- Gather only with people who live in your household
- Keep in touch with others over the phone or video calls
- Wear a face mask when around others
- Stay outdoors and maintain more than 6 feet apart

### Best Practices

- Being outdoors without a face mask
- Being closer than 6 feet apart or gathering with people from more than two other households
- Being indoors with others and opening windows
- Sharing food and utensils

### Moderate Risk

- Spending time indoors with people from other households with closed windows or poor ventilation
- Removing your face mask completely
- Being closer than 6 feet
- Sharing dishes, drinking glasses, cups, or eating utensils

### High Risk
