DECLARATION OF FOR-PROFIT STATUS FOR OCCASIONAL EVENTS (Craven Act Exemption)

This form must be completed by the for-profit food facility donating food to a nonprofit organization's coordinated event. Submit the completed form to the event coordinator.

Name of FOR-PROFIT food facility	
Business Address	
City / State / Zip Code	
Environmental Health Permit number *	Expiration Date
*Attach a copy of your valid health permit, if located outside the County of Santa Clara, or a valid State or Federal health permit, or provide documentation how your product meets the definition of "approved source" (see below).	

The above listed for-profit entity requests an exemption from the California Retail Food Code, under provisions of Section 113789(c)(4), to give away or sell food or beverage at the following non-profit event:

Name of Occasional Event	
Event Location	
Event Address	City
Event Date(s)	

It is my understanding that based on this special status, food operations conducted by this facility will be exempt from environmental health permit and inspection requirements but will receive food safety guidelines from the event coordinator. Under penalty of perjury, I declare that the foregoing is true and correct, and that the above named for-profit entity will receive NO monetary benefit other than that resulting from recognition for participating in the event.

Signature of Permit Holder or Authorized Representative	Date
Print Name	
Daytime Phone Number	Cell Phone Number

CalCode 113789(c)(4) A Food Facility does not include "a for-profit entity that gives or sells food at an event that occurs not more than three days in a 90-day period for the benefit of a nonprofit association, if the for-profit entity receives no monetary benefit, other than that resulting from recognition from participating in an event".

CalCode 113735 "Approved source" means a food source allowed under Article 3 (commencing with Section 114021) of Chapter 4, or a producer, manufacturer, distributor, or food facility that is acceptable to the enforcement agency based on a determination of conformity with applicable laws, or, in the absence of applicable laws, with current public health principles and practices, and generally recognized industry standards that protect public health.
