### IMPORTANT INFORMATION:

- ❑ **All applications and fees must be submitted to this Department, by the Event Coordinator, at least 2 weeks before the event to avoid late fees.** Current applications can be found on the Temporary Events website.
- ❑ **For indoor events.** Include an overview of how the food and drinks will be served/distributed (i.e. buffet table for food, bar in one corner, coffee/tea at another area). A simple hand written drawing will be acceptable.
- ❑ **Warm water requirement for handwashing.** [CalCode 114358(a)] enforced as of 2016. A handwashing station is required to have warm water for washing hands. Applies to all food booths, including beer/wine booths that have unpackaged food or drinks. A handout showing a proper handwash station set up and what supplies can be used is available on the website.
- ❑ **Vendors claiming Veteran's Permit Fee Exemption.** Submit the Affidavit for Veteran's Exemption form annually (available on our website) with two of the following current documents to prove sole proprietorship: Business License or Lease, CA State Board of Equalization Sellers Permit, and/or Certificate of Insurance, along with a copy of his/her *honorable discharge form* (applicant name must match the name on the form or provide proof of name change). The Department may require additional information to support the exemption request. Re-inspection of a Veteran's permit fee exempted booth for non-compliance or operating without a permit will be subject to fees.
- ❑ **Food Vendors selling food that is prepared in advance - manufactured or processed:** Submit a valid copy of your CDPH *Processed Food Registration* (PFR) or the company's PFR that processes your food (typically called a "co-packer") with the application. If your food is sold outside of your manufacturing facility and requires a label, you must obtain a PFR before a permit can be issued for the event.  
 Information on CDPH's PFR program can be found at <http://www.cdph.ca.gov/programs/Pages/FDB%20ProcessedFoods.aspx>
- ❑ **Advanced Food Preparation:** If you are doing any advanced food preparation prior to the event and are not the permit holder of 1) a valid CFO A or B, 2) an annual environmental health permit, or 3) CDPH PFR, the Department reserves the right to conduct an inspection during that activity which must occur at an approved food facility. Fee charged at \$219 per hour.
