- Hitting/slapping
- Punching
- Kicking
- Tripping
- Grabbing/shaking
- Spitting
- Grabbing your neck to choke or strangle you
- Burning
- Forcing you into unwanted sexual activity
- Controlling what you do or who you see or talk to
- Controlling whether you leave the home

## Experiencing Domestic Violence can affect all aspects of your life. It can make it more difficult for you to:

- Think clearly
- Plan
- Be physically healthy
- Be emotionally healthy

### What can you do?

## If you or someone else are in immediate danger CALL 911!!

If you think you may be in an abusive relationship, have a plan with someone you trust and who you can call with a special code word so your abuser does not know what's going on.

When you are in a safe place, contact local advocacy agencies or law officials to learn about safety options. Below is a list of advocacy and police agencies to contact for additional help.

*\* Some of the Law Enforcement Agencies in Santa Clara County have direct emergency telephone numbers that can be programmed into a person's cellular telephone. These numbers are provided by the DVDRC for those individuals who may need these numbers as part of their safety planning. The DVDRC recommends that individuals call 911 for all emergencies.*
