Parent Project

The Parent Project offers parenting programs for parents and caregivers to address critical issues parents face today. It provides up-to-date information, effective tools, and concrete solutions to parents raising difficult or out-of-control children. For over 30 years, the program has worked with over half a million parents across the nation.

The Parent Project is the county’s largest court mandated Juvenile diversion program. The Santa Clara County District Attorney’s Office is committed to providing this highly effective and affordable program to parents. Since 2008, over 9,000 parents have graduated from the program. Classes are offered in English, Spanish and Vietnamese. Staring from 2020, the Parent Project has launched virtual class online.

Parent Project Senior

Empowering Parents and Transforming Teens

Parent Project Senior is a 10-week program designed for parents raising difficult or out-of-control adolescent children, ages 10 and up. “Changing Destructive Adolescent Behavior” is an award-winning intervention model addressing the most destructive of adolescent behaviors. Besides lectures, case studies, and discussion, parents also form support group after graduating from the program.

Critical Issues Addressed:

- Arguing and Family Conflict
- Poor School Performance
- Media Influences
- Drug Use
Loving Solution (Parent Project Junior)

_Concrete Answers for Challenging Kids_

Loving Solutions is a 10-week program specifically designed for parents raising difficult younger children, ages 5-10 years. Loving Solutions employs a behavioral model to help parents both motivate children to do constructive tasks and manage unwanted behaviors. The program’s “Steps of Success” (S.O.S.) home practice assignments help create a solid foundation for change.
