Overall Comments:
Follow up inspection conducted to verify vermin infestation is not present in facility. Pest services conducted yesterday which did indicate some activity near ice machine. No evidence of live cockroaches observed today. Observed two dead cockroaches under ice machine. Floors have been cleaned under ice machine and glass door refrigeration. Accumulated food debris on floor corners under prep table in kitchen have been removed. Continue to deep clean walls and equipment of grease on frequent basis to prevent vermin harborage. Also continue with pest services on regular basis. Major violation corrected/kept in compliance. Placard remains green.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than 10/18/2019. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
