#### Overall Comments:

*Second follow-up inspection to verify elimination of cockroach infestation in dining area.*

Observation:
- Pest services came out at 12:00am last night 1/8/19. Pest services treated facility by fogging, laying bait and and powder substance under dining booth seats, baseboards behind booth and under wood boards above booth; and also treating kitchen area and front counter.
- All areas have been cleaned and sanitized.
- No live activity or dead cockroaches observed in dining area. Observed two dead cockroaches under rinse sink in warewash area. Pest services noted activity in area and will conduct follow-up service for warewash area on 1/14/20. No live activity found in warewash area.
- PIC sealed loose baseboards and some of the wood boards above booth. Continue to finish sealing and caulking gaps un between wood boards and wall panel throughout facility to prevent vermin harborage.
- Due to no live activity or evidence that infestation, facility is approved to re-open after food contact surfaces and have been cleaned and sanitized. Placard changed to green.
- Facility will be $219 for this second re-inspection. Maintain pest reports for all services conducted during next routine inspection.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **1/22/2020**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
