N/A

Overall Comments:
This is a follow up inspection to the follow up inspection conducted on 11-15-19
The facility may reopen at this time
The violation K23 has been corrected at this time
Observed no living or dead cockroaches inside the facility at this time
A pest control service company came out last night to fog the facility
the facility has been cleaned with bleach
Recommend a pest control service come out once a month to spray inside the facility and to monitor for any cockroach activity in the facility
The walls around the food prep area still need to be repaired
the gaps and holes under the sink still need to be repaired
Owner stated someone was coming out today to repair the walls and to fix the holes in the walls
There will be a fee of $438.00 charged today
The fee can be paid at the address at the top of this report

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than 11/30/2019. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
