Comments and Observations

Major Violations

K23 - 8 Points - Observed rodents, insects, birds, or animals; 114259.1, 114259.4, 114259.5

Inspector Observations: At least 6 live cock roaches of all lifestages (egg sack from adult and nymph) found near electrical components and buttons of dish machine, around plumbing under dish area, and on wall near ceiling tile above foods in steam table. Dead cockroaches found on floor under cold prep unit, three comp sink, dry storage shelves near walk in cooler, and inside one of the cold prep units where electrical components were.

Also, found dead cockroach and broken egg casings on top of dish machine under chemicals. Cockroach feces found on walls near dish area and dry storage room where onions stored. No pest reports available for review to confirm pest services are conducted every 2 -3 weeks per PIC. [CA] Food facilities shall be kept free of vermin such cockroaches. The following corrective actions shall be taken to eliminate and prevent infestations:

- Clean up dead cockroaches and sanitize all floors and food contact surfaces affected.
- Contact licensed pest control services to eliminate cockroaches.
- Clean up all dead cockroaches and sanitize affected areas after service. Seal all crack, crevices, and holes to prevent vermin entry (see K44)
- Ensure there is NOT one live cockroach observed and contact district specialist for re-inspection.
- Facility is to remain closed until specialist has conducted inspection and approve facility to re-open.
- Provide all pest control service reports from November to recent at follow up inspection. Maintain all pest service reports at facility for review upon request during inspections.

Overall Comments:

Facility is closed due to live cockroach infestation. Facility cannot re-open and must remain closed until the corrective actions directed in K23M & K44 have been taken and a re-inspection has been conducted by this department. Facility is to cease and desist all food sales and operations, including food preparation. Do not remove, cover-up, or relocate red placard. Failure to comply will result in enforcement actions. Ensure there is no evidence of live cockroach activity and there is not to be one live cockroach found during re-inspection or facility will remain closed. If a second re-inspection needs to be conducted, then there will be a \$219/hr charge at a minimum one hour that will be billed to the facility. If facility is requesting after hour inspections, facility will be charged a minimum 2 hour inspection of \$493. Contact district specialist or supervisor Aleli Crutchfield at (408) 918-3460 for re-inspection.

CLOSURE / PERMIT SUSPENSION NOTICE

OFFICIAL INSPECTION REPORT

Facility FA0254024 - ARUSUVAI	Site Address 2636 HOMESTEAD RD, SANTA CLARA, CA 95051	Inspection Date 02/05/2019
Program PR0370167 - FOOD PREP / FOOD SVC OP 0-5 EMPLOYEES RC 3 - FP11	Owner Name KVPT FOODS INC.	Inspection Time 11:45 - 12:45

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **2/19/2019**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.

This notice is to inform you that as of this date the Environmental Health Permit for the above mentioned food facility is hereby suspended and all operations therewith are ordered to cease. This action is taken in accordance with Section 114409 of the California Health and Safety Code which states 'If any imminent health hazard is found, unless the hazard is immediately corrected, an enforcement officer may temporarily suspend the permit and order the food facility or cottage food operation immediately closed.'

You have the right to make a written request for a hearing within 15 days after receipt of this notice to show just cause why the permit suspension is not warranted. Failure to request such a hearing within the 15-day period shall be deemed a waiver of the right to a hearing. After these violations have been corrected, you must call the Department of Environmental Health for a reinspection to reinstate the permit to operate. Phone #: (408)918-3400.
