Overall Comments:

In the follow-up inspection, violations 23M, 6M, 13M, 14M, 01, 07, 36, 40, and 41 are in compliance.

Violations 33 (rusted walk-in floor), 35 (walk-in refrigerator leaking), and 38 (ventilation hood filters) still not in compliance.

NOTE:  
A re-inspection will take place on 11/08/2019 to ensure compliance with walk-in refrigerator working properly and in good repair, and walk-in floor all rust removed or resurface.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than 11/8/2019. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
