Overall Comments:

Note: The restaurant was closed yesterday because of cockroach infestation. During the time of this inspection, no live cockroaches were observed in the food preparation and storage areas. The storage and the floor area of the kitchen is washed and sanitized. The three compartment sink was also assembled to wash, rinse, and sanitize utensils. Therefore, the restaurant is open for service.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than 10/25/2019. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
