Overall Comments:

- Third follow up inspection conducted to verify compliance of vermin present in facility from routine inspection 12/3/19
- Pest services conducted 12/17/19 in the morning. No follow-up service scheduled per reports.
- No live cockroaches or evidence of activity/infestation still present within facility.
- All noted areas requiring permanent sealing for cracks and crevices where cockroaches were observed entering the facility has been repaired. Continue sealing any holes, cracks or crevices found over time to prevent vermin entry and harborage.
- Continue with licensed pest control services and maintain pest reports available for review upon request during inspections.
- Placard remains green.
- This inspection will be charged $219.00 to facility for additional re-inspection.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than 1/1/2020. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
