Overall Comments:

In the previous limited inspection, food facility was closed due to the drain pipe from kitchen was not properly dispensing gray water. Today in the follow-up inspection, drain pipe was working properly and not leaking or gray water was observed. Please be advised that, all water faucets from all compartment sinks were open and let water run through the drain pipe to see any possible leak or overflowing.

Food facility is ok to operate.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than 3/3/2020. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
