Overall Comments:

This is a follow up inspection to the routine inspection conducted on 11/27/2018. The cold holding unit that was not maintaining potentially hazardous foods at 41F or below has been moved to another location to be used as storage and as a counter and replaced with a similar unit from within the facility. Unit is able to maintain potentially hazardous foods at 41F or below.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than 12/18/2018. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
