### Comments and Observations

#### Major Violations

K23 - 8 Points - Observed rodents, insects, birds, or animals; 114259.1, 114259.4, 114259.5  

Inspector Observations: Observed cockroach infestation within the facility during time of inspection. Observed 30+ cockroaches in all life stages including cockroach eggs throughout the facility including the following areas:

- at the bar area around the 3 compartment sink; on the camera wiring running from the bar area to the camera above the walk-in refrigerator  
- at and around the microwave oven; at the ticket line/magnetic knife rack above the prep counter in the kitchen  
- at the crevices of the counter behind the pizza prep unit; on the paneling separating the bar area and the kitchen/pizza oven  
- on the electrical conduits running through the warewash room  
- on the emergency fire switch by the entrance to the warewash area  
- at and around the crevices at the walk-in refrigerator  
- all around (including within and above) the electrical breaker panel in the warewash area.

[CA] Contact pest control to provide service for facility. Facility requires deep cleaning and extensive patching of cracks and crevices. Remove equipment from the walls to prevent continued harborage of venum. Remove excess clutter and unused equipment to prevent continued harborage. Facility shall not operate with cockroach activity and infestation. Facility closed due to cockroach activity. Contact for follow-up inspection at 408-918-1955 or email at frank.leong@cep.sccgov.org. First re-inspection is provided. All subsequent follow-up inspections after the first will be charged at $219.00 per hour for a minimum of one hour. Any observed live cockroach activity will result in continued closure of facility.

#### Minor Violations

No minor violations were observed during this inspection.

### Performance-Based Inspection Questions

N/A

### Measured Observations

N/A

### Overall Comments:

**CLOSURE / PERMIT SUSPENSION NOTICE**

When required to determine compliance, a single reinspeccion will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be asessed for each and every reinspeccion until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than 2/17/2020. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.

This notice is to inform you that as of this date the Environmental Health Permit for the above mentioned food facility is hereby suspended and all operations therewith are ordered to cease. This action is taken in accordance with Section 114409 of the California Health and Safety Code which states 'If any imminent health hazard is found, unless the hazard is immediately corrected, an enforcement officer may temporarily suspend the permit and order the food facility or cottage food operation immediately closed.'

You have the right to make a written request for a hearing within 15 days after receipt of this notice to show just cause why the permit suspension is not warranted. Failure to request such a hearing within the 15-day period shall be deemed a waiver of the right to a hearing. After these violations have been corrected, you must call the Department of Environmental Health for a reinspeccion to reinstates the permit to operate. Phone #: (408)918-3400.
