Overall Comments:

Follow-up inspection from 10/11/2019

This facility was closed due to a rodent infestation. Facility has been cleaned up and rodent proofed. Visible holes in the walls, ceiling, and openings around pipe penetrations have been sealed. Work was done by Rodent Innovative Professionals and invoice was provided. Rodent droppings have been removed and surfaces have been cleaned. No live or dead rodents were observed during this inspection.

Facility is okay to operate.

Recommend obtaining monthly pest control service to help maintain facility free of rodents/pests. Do not apply household insecticides in this facility.

When required to determine compliance, a single reinspeetion will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than 10/29/2019. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
