Overall Comments:

This is an owner initiated inspection to verify the major violations from the inspection conducted on 11/16/2018 and 11/17/2018 have been corrected. The operator will be billed $493 (after-hrs 2hr min).

There is no longer evidence of a vermin infestation; all contaminated surfaces have been cleaned and sanitized; and contributing factors such as cleaning, repairs, and the elimination of harborage have been resolved.

Facility is approved to re-open.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than 12/2/2018. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
