Overall Comments:
Follow up due to rodent violation:

Observations:
-Rodent droppings have been cleaned from:
- Shelving areas
- Bulk dry storage
- Window sills
- Under sinks

-Pest control technicians discussed plants and outside habourage; placing extra traps; and vermin proofing with operator.
- Observed some entry points sealed. Per operator larger entry points will be sealed within the couple of weeks.

-Open bags of food observed to be put in plastic bins with tight lids.

Continue to monitor for signs of vermin every morning and cleaning and sanitizing any signs of vermin.
Continue efforts to eliminate rodents from facility and vermin proofing building.
Continue to clear out back area clutter and vermin proofing shed in the back.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than 12/19/2018. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
