### Overall Comments:

A follow up inspection was conducted to verify correction of major vermin violation. Facility is receiving pest control treatment at the time of this inspection. Spoke with pest control representative who stated that they are working to seal vents in and around the building. Holes in the ceiling have been temporarily patched but owner has been instructed to make permanent repair. Shelves are cleaned and adulterated foods have been discarded. No evidence of rodents was observed.

**FACILITY IS HEREBY RE-OPENED, OK TO OPERATE.**

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **11/19/2019**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
