N/A

Overall Comments:

Follow up due to vermin violation.

Upon inspection:
- No live cockroaches found in facility at time of inspection.
- No dead cockroaches found in facility at time of inspection.

- Per operator pest control is scheduled to come the first week of December, and shall be coming weekly for at least a month.

Continue to monitor for signs of cockroach and rodent activity. Continue working on other violations from previous report.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than 12/10/2019. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
