SOIL PROFILE

(100% Expansion Area)

0 - 6" clay loam
6" - 15" clay sandy
1.5" brown clay
3' less clay
5' blocky clay less grit
8 - 9' loam
10' more gravel/rock
10' loose w/ sand
12' blocky clay
15' harder digging w/ depth
15' end (no walk/no rock)

Performed a soil profile in the 100% leachfield expansion area - the results of the soil profile match the previous soil profiles performed in 2002. Therefore, proficiency tests are not required in the 100% leachfield expansion area.
