Checklist of Required Application Materials

The documents listed below are required for your application and must be submitted in electronic form through the County InSite Public Portal. Incomplete submittals will not be accepted. All plans must be legibly drawn to an appropriate scale.

The maximum height and depth of cut and fill must also be included on the site plans.
- **Santa Clara Valley Habitat Plan-Coverage Screening Form**
  If the subject property is located within the Habitat Plan Permit Area, submit a completed Coverage Screening Form. If the project is identified as a “covered project” per the Screening Form, submit the Fees and Conditions Worksheet with the application.
- **Acknowledgements and Agreements Form**, signed by property owner or authorized representative.
