The 2017/2018 Supplemental Tax Bill

01 This is the bill type, the year that the bill was issued, and the time period covered by the bill.

02 This section shows the property address, the Assessee on January 1, as well as other bill information. This box contains a summary of how the taxes were computed.

03 Contact us if you have questions about your tax bill.

04 These boxes may contain additional information about the tax bill. Please read them.

05 Using a smart phone and a QR-Code reader, scan the code to go to the bill online. Alternatively, visit taxpayment.sccdtac.org, select the Secured Property button, then enter the APN or property address to find the tax summary.

06 This is the Second Installment stub. Please check your bill for the Due and Delinquency dates as they vary. Please enclose the stub with the Second Installment payment. Note: The First Installment MUST be fully paid before payments are applied to the Second Installment. This is the amount due on the installment.

07 These are the Assessed values as determined by the County Assessor.

08 These two boxes show details of each installment such as important dates, taxes and special assessments, any penalties, charges, and amounts paid. They also show the total amount due for each installment, which reflects the Amount Due on the stubs.

09 This shows the date of the change of ownership or completion of new construction. It also shows the proration factor used to calculate the supplemental taxes.

10 These are the detailed computation of the taxes.

11 If any payments were made, the amounts paid and which installment(s) they were applied to would be shown in this section.

12 For convenience, the reverse side of each stub shows payment instructions for the different payment types accepted.
