We are an equal employment opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status or any other characteristic protected by law.

Category: Behavior Intervention

Description of Duties:

* Provide individualized programming and support to individuals with developmental disabilities in a variety of settings including the clinic, home, and in the community.

* These programs will include teaching new skills in order to enhance independent living, communication, socialization, career development, and coping strategies.

* Implement Behavior Intervention Plans and respond appropriately to all challenging behaviors

* Collect accurate data during all sessions and report changes and collaborate with BCBA to modify programming

* Attend all required trainings and meetings
What we are Looking For:

* Willingness to learn new therapeutic skills, focusing on naturalistic intervention in typical settings
* Ability to be flexible and problem solve in the moment
* Concerned with ethical implementation of behavior plans and honest reporting on all reports and logs
* Physically able to perform job responsibilities (active movement, lifting up to 40 lbs.)
* Mode of reliable transportation
* Timely

Salary and Compensation:

* Part-Time / Full-Time Positions Available
* Competitive Pay
* FREE SUPERVISION from an experienced BCBA
* Start ASAP

3 TO 5 KEY SKILL SETS REQUIRED
* Qualifications To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Preferred Experience:

* Credentialled Registered Behavior Technician (RBT) through the BACB or currently enrolled in an Applied Behavior Analysis program on track for the BCBA or BCaBA
* A Bachelor’s degree or current enrollment in psychology, education, communication disorders, special education, behavior analysis or a related program
* Preferred - 2+ years working with individuals with disabilities providing either ABA therapy, or special education services as a teaching assistant, therapist or teacher
