The Provider understands and agrees that all Provider employees rendering prehospital emergency medical care services under this Agreement are, for purposes of Workers’ Compensation liability, employees solely of the Provider and not of County.

2) The Provider shall respond to written requests of the EMS Agency for information regarding any perceived dispute within five (5) business days, unless otherwise mutually agreed, following receipt of such request.

3) The Provider is encouraged to resolve normal day-to-day operational concerns directly with involved parties (other EMS System providers, hospitals, etc.). If a dispute is not resolved at this level, the Provider may refer it to the EMS Agency Contract Manager for further review and action.

4) Disputes perceived by the Provider to have a system-wide impact should be referred directly to the EMS Agency.

7.8 **No Third Party Rights.** No provision in this Agreement shall be construed to confer any rights to any third person or entity.

7.9 **Partial Invalidity.** If for any reason, any provision of this Agreement is held invalid, the remaining provisions shall remain in full force and effect.

7.10 **Amendment.** No addition to or alteration of the terms of this Agreement, whether by written or verbal understanding of the Parties, their officers, agents, or employees, shall be valid unless made in the form of a written amendment to this Agreement which is formally approved and executed by the Parties.

7.11 **County No-Smoking Policy.** Provider and its employees, agents and subcontractors, shall comply with the County’s No-Smoking Policy, as set forth in the Board of Supervisors Policy Manual section 3.47 (as amended from time to time), which prohibits smoking: (1) at the Santa Clara Valley Medical Center Campus and all County-owned and operated health facilities, (2) within 30 feet surrounding County-owned buildings and leased buildings where the County is the sole occupant, and (3) in all County vehicles.

Provider certifies that Provider has not been convicted of a criminal offense related to health care, nor is Provider listed by any federal or state agency as debarred, excluded or otherwise ineligible for participation in federal or state funded health care programs. Provider agrees that if any of its employees providing services under this Agreement are convicted of a crime related to health care or debarred, such employees shall be removed from any responsibility or involvement in the provision of services under this Agreement once the criminal
conviction or debarment is final. Provider shall notify EMS Agency of the pendency of such charges or proposed debarment or exclusion against it or against Provider’s employees. Provider will indemnify, defend and hold harmless EMS Agency for any loss or damage resulting from Provider’s or Provider’s employees’ criminal conviction, debarment or exclusion.

7.13 Contract Execution. Unless otherwise prohibited by law or County policy, the Parties agree that an electronic copy of a signed contract, or an electronically signed contract, has the same force and legal effect as a contract executed with an original ink signature. The term “electronic copy of a signed contract” refers to a transmission by facsimile, electronic mail, or other electronic means of a copy of an original signed contract in a portable document format. The term “electronically signed contract” means a contract that is executed by applying an electronic signature using technology approved by the County.

7.14 California Public Records Act. The County is a public agency subject to the disclosure requirements of the California Public Records Act (“CPRA”). If Provider’s proprietary information is contained in documents or information submitted to County, and Provider claims that such information falls within one or more CPRA exemptions, Provider must clearly mark such information “CONFIDENTIAL AND PROPRIETARY,” and identify the specific lines containing the information. In the event of a request for such information, the County will make best efforts to provide notice to Provider prior to such disclosure. If Provider contends that any documents are exempt from the CPRA and wishes to prevent disclosure, it is required to obtain a protective order, injunctive relief or other appropriate remedy from a court of law in Santa Clara County before the County is required to respond to the CPRA request. If Provider fails to obtain such remedy within the time the County is required to respond to the CPRA request, County may disclose the requested information.

Provider further agrees that it shall defend, indemnify and hold County harmless against any claim, action or litigation (including but not limited to all judgments, costs, fees, and attorney’s fees) that may result from denial by County of a CPRA request for information arising from any representation, or any action (or inaction), by the Provider.
IN WITNESS WHEREOF, this Agreement is entered into this by the County of Santa Clara, and the FIORE Industries, Inc.

Insurance afforded by the additional insured endorsement shall apply as primary insurance, and other insurance maintained by the County of Santa Clara, its officers, agents, and employees shall be excess only and not contributing with insurance provided under this policy. Public Entities may also be added to the additional insured endorsement as applicable and the contractor shall be notified by the contracting department of these requirements.

E. Special Provisions

The following provisions shall apply to this Agreement:

2. The County acknowledges that some insurance requirements contained in this Agreement may be fulfilled by self-insurance on the part of the Contractor. However, this shall not in any way limit liabilities assumed by the Contractor under this Agreement. If such bond is canceled or reduced, Contractor will notify County immediately, and County may withhold further payment to Contractor until proper coverage has been obtained. Failure to give such notice may be cause for termination of this Agreement, at the option of County.
